WALL CUP WELL
UNDER WAY

TWO RICHARDS, R. A. COOKE
AND CAPTAIN LOW LEFT IN

One Match This Afternoon and One
on Monday—The Finals Will Be
Played on Monday, Also.

Yesterday afternoon on the Beretania tennis courts, play in the Wall Cup series was continued, and three matches were played. The fourth which was scheduled to be between A. L. Castle and Atherton Richards, was not played, as Castle did not wish to tire himself out in view of the fact that he has a hard baseball game to pitch today at the Athletic Park.

However, Castle and Richards had a couple of sets for fun and exercise. Castle won the first, 6-3, and lost the next, 8-6. The last set was a warm one, and both players did good work. Castle served in great form, and Richards seemed able to get them all. Both men played well, and the younger player did some fine short volleys across the court.

Captain Low and Lowrey then got on the courts and played their match, which only went for two sets. Low is playing in great form just now, and he kept the younger player on the go all the time. Low's backhand strokes are beautiful, and his forearm drives at times terrific. He won many strokes by sheer force and time after time beat Lowrey with his placing.

Low won two sets straight, 6-1, 6-3, and it was a fairly easy victory for him. The captain would appear to have a good chance of winning the cup, as he will meet Atherton Richards on even terms this time, instead of owing fifteen, as he did last time they met in the trophy play.

Another match that was played yesterday was between Stanley Kennedy and R. A. Cooke. The latter won out by two sets straight—6-2, 7-5. The first set looked like a love one, as Cooke piled up five games before Kennedy got started. Then the latter got two games and the set ended. The second game was closer, and at one time Kennedy had it on his opponent to the tune of 5-4. Then Cooke sparkled up and took three games straight and won out as related.

The final match of the day was that between Bockus and Theodore Richards, and it was a good one, too. Bockus took the first set to two games, and then Richards got going properly and just reversed the figures. With one set all, and the number of games even, the third and deciding set was looked forward to with interest. It proved to be a really hard-fought one, and after five-all and six-all were called, Richards took two games in succession and won out. The score was 2-6, 6-2, 8-6 in Richards' favor.

This afternoon Atherton Richards will meet Captain Low, and on Monday T. Richards will play R. A. Cooke. The finals will also be played on Monday, and at the present time the winner is hard to pick.

WASEDAS AND OAHU

COLLEGE TODAY

Third Game of Series to Be Played
at the Athletic Park This After-
noon.

This afternoon the Wasedas and Oahu College Alumni will once more meet at the Athletic Park, and great interest is being taken in the third meeting of the teams.

Al. Castle will pitch for the ex-students, and he is determined that once more the colors of the Japanese will be lowered. The first game between the nines was won by the college after a seventeen-inning game, and the score was 1 to 0. Last week the teams met for the second time and the Puns again won by a score of 5 to 1.

The game this afternoon will start at half past three o'clock, and by that time there should be little room in the grandstand or on the bleachers. There will be another game which will start at 1:30 o'clock, and it will be between the C. A. Cs. and the J. A. Cs.

DOTS AND DASHES.

The Wasedas have played fifteen games in Honolulu, and their record stands as follows:

Won—July 4, Wasedas 8, Chinese 5; July 9, Wasedas 5, Marines 1; July 10, Wasedas 3, Portuguese 2 (18 innings); July 12, Wasedas 1, Navy 0 (12 innings); July 14, Wasedas 1, Military 0; July 24, Wasedas 1, Portuguese 0.

Lost—July 13, A. Oahu 6, Wasedas 2; July 16, Oahu College Alumni 1, Wasedas 0 (17 innings); July 17, Chinese 9, Wasedas 5; July 19, Navy 1, Wasedas 0 (13 innings); July 21, Military 6, Wasedas 5; July 23, Marines 5, Wasedas 3; July 27, A. Oahu 4, Wasedas 0; July 31, Oahu College Alumni 5, Wasedas 1; July 31, Chinese 1, Wasedas 0.

The Maui Hacking Association had a meeting the other night, and the balance sheet of the club was laid before the members. A credit balance of \$929.56 was shown, and everything was voted as most satisfactory. Improvements are planned in connection with the grandstand and track, and next year the Honolulu people will be surprised at the changes made.

Poor old Joe Gans, known as the Old Master, is dying of that fell disease, consumption. It is strange how many boxers die of the scourge; the list is a long one, and many is the good man who has gone that way.

There will be no cricket match this afternoon, as two full teams could not be gotten together. Cricket appears to be dead in Honolulu at present, and golf and tennis are all the rage.

The Wall Cup tournament did not attract all the entries it might have, but the play has so far been first class, and the finals should be good.

A report of the National Association for the Study and Prevention of Tuberculosis, issued from New York, shows the average cost of caring for tubercular patients in the semi-charitable sanatoriums of the United States is \$1.67 a day.

FICTIC.

CORDELL-CORNYN
WILL MEET AGAIN

RUMORS OF BIG PURSE
BEING OFFERED SOON

Next Contest Will Probably Be Over
Twenty Rounds—Big Crowd Is
Sure to Roll Up to See Go.

Boxing is on the boom in this little old burg and all sorts of rumors are flying around about promoters and purses of \$500 or so. That another Cordell-Cornyn go over twenty rounds would draw like a mustard plaster can not be denied, and there is no doubt that a match will be made in the near future.

A well known man of this city is seriously considering the advisability of putting up a \$500 purse for the two clever boxers to argue over, and if satisfactory arrangements can be made about a location for the match, there is no doubt that the men will be signed up.

The purse is liberal enough, and a sixty and forty split of that amount should be satisfactory enough for both the men. Considering what the boxers got for their last contest at the Aloha Park, the above-mentioned purse looks good and, besides, it is sure money, and the men have not got to take a chance on a percentage basis.

There will be developments in a day or so, and something more definite can be said about the matter as soon as it is ascertained whether or not a suitable site can be obtained for the contest.

Cordell is keeping in trim, and he is doing a lot of swimming at the beach. He and the game Irishman, Joe McGurn, are boxing together every day, and some fast work is done at times.

Joe McGurn is very anxious to have a go at someone, and there is no doubt that if he is seen in action once, the Honolulu sports will want to see him in the ring as often as possible. Joe is as game as a pebble, and several times he has been down and was being counted out by the referee, when he has got to his feet and landed the dough with a knockout. Joseph would like to meet the winner of the De Mello-Madison contest, and a match like that should attract a big crowd.

Dick Sullivan leaves for the Coast on the Sierra and will be away about six weeks. He may get in touch with some likely boxers while on the mainland, and one or two of them may pay a visit to Honolulu before long. Dick has lost weight lately and thinks that a trip to San Francisco will set him up again.

The time is ripe for another boxing contest between Cordell and Cornyn, and if the go is over twenty rounds, a decision should be reached. An extra five rounds would tell the story, and there would not be much chance of another draw being registered.

William Fiege of Wayne, Neb., was arrested charged with the murder of his sister, at their home, on June 30.

SHORTAGE IN SALMON

REPORTED FROM NORTH

Cannerymen Predicts That Pack Will

Be Below Normal.

SEATTLE, July 23.—Advices received from Alaska indicate that the salmon pack this year will fall far below the normal. G. H. Buschman, general superintendent of the Northwestern fisheries company, returned from the north yesterday with first advices from plants west of Yakutat. He says that the Kodiak Island and Prince William sound canneries are experiencing lighter runs than usual, but at Chignik the pack will be about normal.

When he left Bristol bay the plants were still making thin, but the pack should be well along now and definite advices are expected from there in a few days.

The first large catch of sockeye salmon on Puget sound this season was made Thursday, when approximately 35,000 fish were taken. Indications point to a good run next week.

Advices from Vancouver, B. C., are to the effect that canning operations up to now have been discouraging on that side of the border.

NEW FACES AT THE ORPHEUM.

With their dizzy gowns and dainty fingers carefully folded and ready to pack in their trunks and their farewells partly spoken, the Casino Musical Comedy Co. girls heard the welcome news that owing to the arrival on the Sierra of Mabel Bunyea, the vaudeville Queen and Melville Gideon the famous song writer and musical censor of the Shuberts, a new season of vaudeville would start in Monday. Nearly all of the old favorites will be retained and a vaudeville olio of eight numbers will precede the sketch, which will be the one which started Nat Goodwin towards fame and fortune. "Hobbies" one of the best skits that has ever been seen on the local stage. Mabel Bunyea is one of the most beautiful women on the stage and has appeared in "King Dodo" and many other comic opera successes. Melville Gideon is the author of "The Billiken Man" and other popular hits. He has been the musical advisor of the Shuberts for years. Among the vaudeville features will be a song "Put Your Foot on the Soft Pedal" by Carleton Chase, "Villena" from the Merry Widow by Olga Steck, "Splash Me" by Vilma Steck and two very pretty numbers by Miss Rockwell. Four of the chorus have a stunning dance which is going to surprise the inhabitants. The prices are going to be reduced to summer prices and with the excellent vaudeville, the house ought to be filled to capacity.
